

99% Purity L Ergothioneine Supplement 497-30-3 For Nutrition Industry

Our Product Introduction

Basic Information

Product Specification

- Product Name: Ergothioneine
- Synonyms: Ergothioneine
- CAS Number: 497-30-3
- Molecular Formula: C₉H₁₅N₃O₂S
- Molecular Weight: 229.3
- Appearance/color: White To Off-white Power
- Specifications: 99%
- Solubility: /
- Package: 1kg/bag, 25kg/drum
- Highlight: **99% Purity L Ergothioneine Supplement,
497-30-3 L Ergothioneine Supplement,
99% Purity L Ergothioneine Powder**

Product Description

Bulk L-ergothioneine Powder 99%

Hygieia Biotech is a leading wholesale L-ergothioneine powder factory in China. Our state-of-the-art GMP-compliant facilities specialize in the production of high-grade L-ergothioneine powder, meticulously crafted to meet the stringent demands of our global clients in the dietary supplement and nutrition industry.
